

## Collaborate With Us On Box

We are excited to start collaborating with you using Box. Here is what you can expect and the steps you need to take to get started:

*(collaboration invitation)*

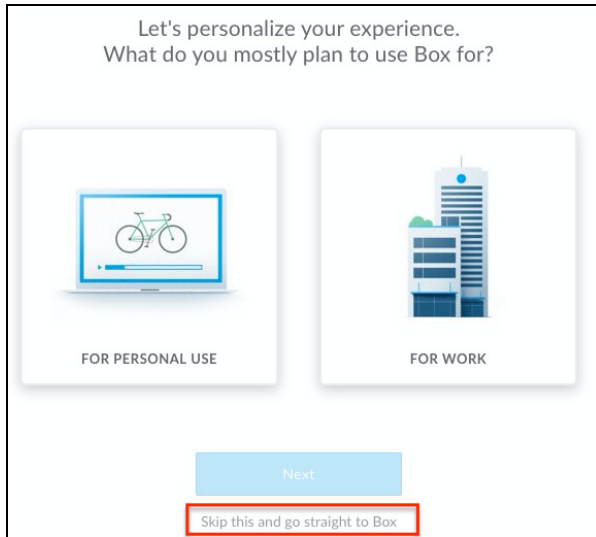

### Setting Up An Account

- If it is your first time collaborating on Box and do not have a Box account, you will be prompted to set up an account
- This will be your own personal account - it is free and you can use it in any manner you choose
- After filling in the required information, press **Continue**
- You can then **skip** the next page to start using your new Box account

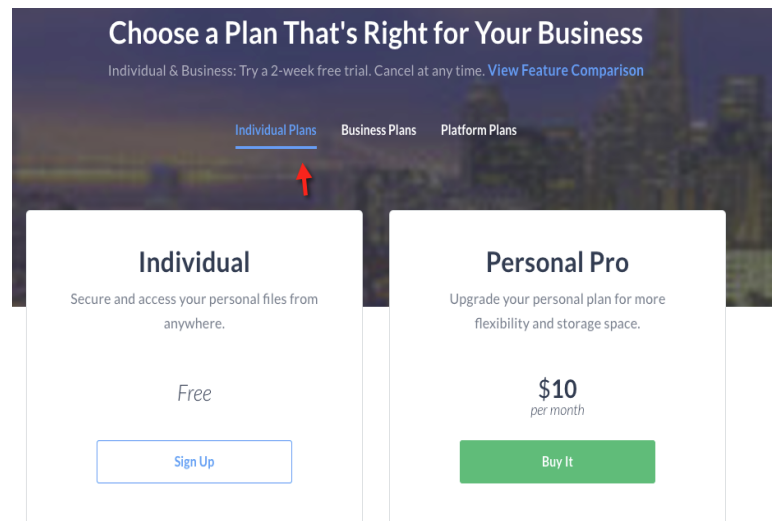

### Becoming A Collaborator

- When you are invited to collaborate on a project, you will receive an email notification
- Click on **Accept Invite** to become a collaborator and be taken to the folder

*(setting up an account)*

It might happen that after accepting the invite, External Partners are taken to the Box pricing page. In this case, External Partners should choose the **Free Individual Plan** and continue to set up their Box account.

### Learn More

To learn more about using Box, [watch this short video](#). It has all the information you need to get started quickly. If you have any questions please reach out to your Roche / Genentech contact. We hope you enjoy using Box as much as we do!
